

# Join The EARTH GARDEN FOUNDATION

Help provide sustainable living solutions to Third World communities

**\$66 per year** for a family or individual membership, sees every cent delivered to needy Himalayan communities to implement long-term, sustainable living projects.

## SIXTH PROJECT UNDERWAY

EGFA's sixth project is to install solar lighting in six remote health clinics in the Nepali region of Dolpo. EGFA expects to have this monsoon-delayed project completed by late 2010.

## PAYMENT OPTIONS:

**1. SECURE WEB ORDERING:** Visit the Foundation's webpage at [www.earthgarden.com.au/foundation](http://www.earthgarden.com.au/foundation).

You can pay via our secure online payment system using either a credit card or direct deposit.

OR

**2. Post the form below, with your cheque to: EGFA, PO Box 2 Trentham, Vic, 3458.**

Name .....

Address .....

.....Postcode.....

Email Address .....

**PLEASE NOTE:** Donations to EGFA Ltd are not yet tax deductible. The Foundation is actively seeking registration as an overseas charity. This process is time-consuming but will in no way slow the Foundation's activities.

Join EGFA today: every cent of your membership money goes to direct project support via groups like our project partner, the Himalayan Light Foundation ([www.hlf.org.np](http://www.hlf.org.np)), to provide solar lighting solutions to Himalayan communities.

## NO ADMINISTRATION COSTS

*Earth Garden* magazine continues to absorb all administration costs of the Foundation. So every dollar donated gets solar lighting into remote Nepali health posts, and other community centres via HLF programs. EGFA's project partners are implementing projects that reflect the long-standing sustainable living ideals of *Earth Garden*. Help Australia's longest-established sustainable living magazine to help poor families live more sustainably.
